THE FEARLESS SERIES

Four novels. One woman. A decade of secrets, murder, obsession, and survival.

Multi-Season Television Series | Psychological Thriller

We first meet Abbie Cooper as a brilliant high-school student with an Ivy League future, and a secret someone is determined to exploit. Across four novels and nearly a decade of her life, Abbie evolves from ambitious teenager to accomplished neuropsychologist, wife and mother while increasingly dangerous threats test the life she's fought to build.

Each novel delivers its own psychological-thriller engine while advancing a larger character journey across the series.

Four Books. Four Potential Seasons. One Continuing Story.

Game of Fear · Autumn of Fear · Winds of Fear · Reign of Fear

Why it works onscreen:

- A fresh, high-stakes threat drives each installment while an evolving heroine anchors the series.
- Blackmail, obsession, kidnapping, revenge, mistaken identity and murder create distinct thriller engines.
- Recurring characters and relationships.
- Each story escalates from intimate psychological danger to potentially devastating consequences.
- Twists and reversals repeatedly challenge what Abbie, and the audience believe to be true.
- A built-in decade-long character arc.

Awards & Accolades:

Best Fiction Series, Next Generation Indie Book Awards | Best Suspense Novel, *Autumn of Fear*, National Indie Excellence Award | Silver Medalist, *Winds of Fear*, IPPY Award

“Abbie Cooper is a warrior.”
